THE COURT FINDS that the defendant is not charged with a serious offense as identified in RCW 10.77.092.

ORDER FOR CIVIL COMMITMENT EVALUATION
BY THE CDMHP - 1 APRIL 2011

NOW, THEREFORE, under RCW 10.77.090(1)(d), the criminal charges filed herein are dismissed without prejudice.

THE COURT FINDS that an evaluation by a King County Designated Mental Health Professional to determine whether to initiate civil commitment proceedings under RCW Chapter 71.05 is appropriate. Therefore, the dismissal of this case will be effective in all respects only upon completion of that evaluation, as directed in this order.

Pursuant to RCW 10.77.090(1)(e), the defendant shall be detained for sufficient time, but not more than 72 hours, to allow the CDMHP to evaluate the defendant and consider initial detention proceedings under RCW Chapter 71.05 if appropriate. If the CDMHP elects not to initiate proceedings under RCW Chapter 71.05, the defendant shall be released (as to this case only) immediately.

The King County Prosecutor's Office and any law enforcement agency possessing relevant, non-confidential information is authorized to provide the CDMHP information that they reasonably believe may be of assistance in conducting the civil commitment evaluation

The CDMHP, within five days after evaluating the defendant as provided in this order, shall inform the Court, the King County Prosecutor's Office, the defense attorney (whose address is below), and the Western State Hospital Center for Forensic Services, whether proceedings were commenced under RCW Chapter 71.05

DONE IN OPEN COURT this ____ day of _____, 20__.
